APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application, free from deleterious matter, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. A suitable measuring device must be installed and accurate measurements of water placed to beneficial use be kept. The State retains the right to regulate the use of the water herein granted at any and all times.

It is expressly understood that no consumptive use of water is allowed by virtue of the granting of this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed.....400.0.....cubic feet per second.

Work must be prosecuted with reasonable diligence and be completed on or before September 26, 1984

Proof of completion of work shall be filed before.....October 26, 1984

Application of water to beneficial use shall be made on or before.....September 26, 1987

Proof of the application of water to beneficial use shall be filed on or before.....October 26, 1987

Map in support of proof of beneficial use shall be filed on or before.....

Completion of work filed..... IN TESTIMONY WHEREOF, I.....PETER G. MORROS.....
 State Engineer of Nevada, have hereunto set my hand and the seal of

Proof of beneficial use filed..... my office, this.....26th.....day of.....SEPTEMBER.....
